### **Adroddiad Precept, Cyllid a Flaenoriaethau Gwariant 2018-19**

Mae'r adroddiad canlynol yn rhoi gwybodaeth i'r Cyngor i helpu gwneud penderfyniadau am flaenoriaethau gwariant, cyllideb a precept ar gyfer blwyddyn ariannol 2018-19.

Mae'n debygol bydd arian wrth gefn o tua £33,500 ar gael gan y Cyngor ar 1af Ebrill 2018.

Mae'n ymarferiad da i dal tua gwerth 3 mis i flwyddyn o precept mewn beth allai cael ei ddisgrifio yn Arian Wrth Gefn Cyffredinol ac mae'n briodol i dal unrhyw symiau ychwanegol ar gyfer Prosiectau Cymunedol penodol.

Mae felly yn ofynnol ar Gyngor i benodi Precept a chyllideb ar gyfer Blwyddyn Ariannol 2018-19 ac i glustnodi unrhyw symiau i'w cadw ar gyfer prosiectau cymunedol penodol. Mae hefyd yn briodol i Gyngor blaenoriaethu'r prosiectau hyn er mwyn canolbwyntio ar rain am unrhyw geisiadau grant sydd eisiau eu gwneud.

### **Precept, Budget and Expenditure Priorities Report 2018-19**

The following report gives information to assist Council with making decisions on expenditure priorities, budget and precept for the 2018-19 Financial Year.

It is likely that Council will hold Reserves of around £33,500 on the 1<sup>st</sup> April 2018.

It is good practice to hold approximately 3 months to a year's level of precept in what could be regarded as "general reserves" and it is appropriate to hold any other monies for specific Community Projects.

It is therefore required for Council to set a Precept and Budget for the 2018-19 Financial Year and to specify any sums to be held for specific community projects. It would also be appropriate for Council to prioritise these projects in

order to concentrate on these for any grant applications that will need to be made.

**Priorities set for the 2017-18 Financial Year**

<b>Public Lighting Improvements</b>	<b>£4,000</b>
<b>Amenity Improvements</b>	<b>£3,000</b>
<b>Idle Play and Amenity Area</b>	<b>£7,000</b>
